2017
19. 'Paint' on Canvas #18
Cast acrylic paint on canvas with nail
8 x 10"
2017
20. 'Pride'brushes
Cast acrylic paint on canvas with nails
12 x 36"
2017

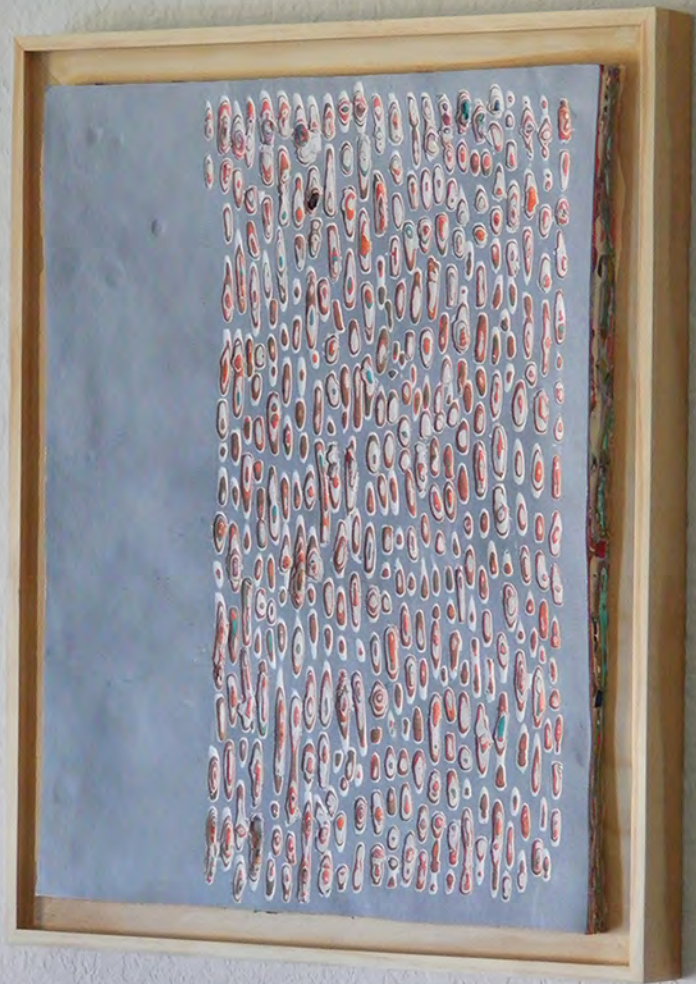

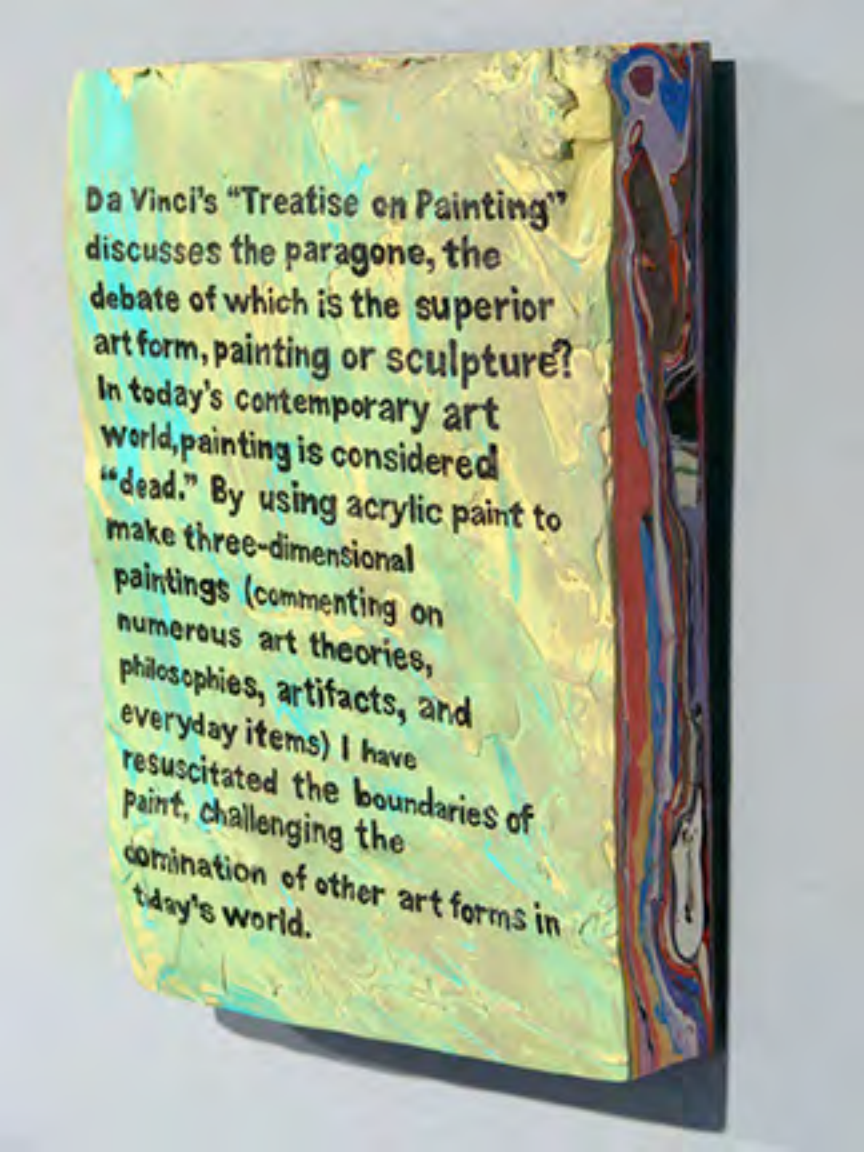

Da Vinci's "Treatise on Painting" discusses the paragone, the debate of which is the superior art form, painting or sculpture? In today's contemporary art world, painting is considered "dead." By using acrylic paint to make three-dimensional paintings (commenting on numerous art theories, philosophies, artifacts, and everyday items) I have resuscitated the boundaries of paint, challenging the domination of other art forms in today's world.
